

Flowserve Brands

- Innomag
- Durco
- Ingersoll-Rand
- Worthington
- Byron-Jackson
- SIHI
- Pacific
- United
- Sier Bath Rotary Pumps
- Pleuger
- Ingersoll Dresser Pumps
- Aldridge
- Jeumont-Schneider
- Scienco Pumps

Pumps

- ANSI
- API
- Split Case
- In-Line
- Vertical Turbine
- Submersible
- Self-Prime
- Gear
- Heat Transfer
- Magnetic Drive & Non-Metallic (ANSI)
- Ring Section Multistage
- Side Channel
- Fluoropolymer-Lined
- Magnetic Drive
- ISO or ASME (ANSI)
- Chemical Process Pump

Pumps

- 
 - Wanner Engineering
 - Hydra-Cell
 - High Pressure
 - Rotary Multi-Diaphragm
 - Metering
 - Vector Peristaltic
- 
 - Positive Displacement
 - Chemical
 - Metering & Dosing
 - Pumps & Systems
- 
 - High-Pressure Multi-Stage
 - Circulating Water Pumps
 - High Pressure Machine Coolant
 - Digital Dosing
 - Metering
 - Booster Pumps
- 
 - Municipal & Industrial Submersible
 - Trash
 - Sewage
 - Cutter
 - Dewatering & Mining Pumps
 - Wastewater Process Equipment & Accessories
 - Bar Screening

- Metallic/Non-metallic Air/Operated Double
- Diaphragm Pumps
- Evo Series Electric Diaphragm Pumps
- Piston Pump
- Air Accessories

- Positive Displacement
- Sliding Vane Pumps
- Compressors

- Industrial Positive Displacement Rotary
- Lobe Pumps
- Chopping Units
- Entry technology for low to highly viscous and abrasive Media

- Centrifugal (Sanitary, Marine, and Industrial)
- Rotary Lobe
- Circumferential Piston
- Drum & Tote Unloaders
- Dosing

- Electric High & Low Pressure
- Peristaltic Pumps
- High & Low pressure Peristaltic Replacement hoses
- Air Operated Diaphragm Pumps

- Horizontal End Suction Slurry Pumps

- Progressive Cavity Pumps Metering
- Hopper
- Wastewater and Industrial

- Electromechanical
- Diaphragm dosing metering pumps
- Air pumps
- Electric Drum

- Centrifugal slurry pumps
- Power, Mining, Wastewater, or Industrial

- Diaphragm Type Pumps
- Electro Mechanical Pumps
- Metering Pumps

- Positive Displacement Rotary Gear
- Progressive Cavity Pumps

A Quality Fluid Handling Equipment Manufacturer and Distributor Since 1956

For over 65 years, Furey Filter & Pump has worked tirelessly to establish itself as the supplier of choice for pumps, filters, custom fluid handling systems, in-house repair, and on-site service work. Our focus has always been on being the "go-to" supplier for our customers' needs. With this focus, we have gained a reputation as the resource of choice for Centrifugal, PD, and Vacuum Pumps, Blowers, Filters, Strainers, Mechanical Seals, and Packaged Fluid Handling Systems. Our expert staff will help you select the best products for your specific needs, and we will help keep your equipment running efficiently throughout its lifetime.

Seals

- BW/IP International
- Durametallic
- Pacific Wietz
- Borg-Warner
- Five Star Seal
- Pac-Seal
- Interseal
- Cartridge
- Component
- Split Mechanical Seals; Pumps, Mixers, & Compressors

- Component Mechanical Seals

Blowers & Vaccums

- Liquid Ring Vacuum Pumps & Compressors
- Vertical Screw Dry Vacuum, Horizontal Dual Screw Vacuum Boost
- Vacuum Systems

MD-Kinney

- Rotary Positive Displacement Blowers
- Transport Solutions
- Blower Packages
- Ex Atex Solutions
- Dry Claw Vacuum Pumps
- Rotary Vane Vacuum Pumps
- Dry Screw Vacuum Pumps
- Liquid Ring Vacuum Pumps
- Vacuum Boosters
- Vacuum Packages
- Lubricants

Process

- Filter Cartridges
- Pleated
- Membrane
- Melt Blown
- Resin Bonded
- Wound
- Absolute Membrane Sub
- Micron Filters
- Bag Filters
- Single or Multi Cartridge
- Bag Filter Vessels

- Back Pressure Valves
- Pressure Relief Valves
- Pulsation Dampeners
- Calibration Columns

- Bag Filters
- Housings (Ronnigen Petter & Hayward Strainers)
- Gas & Liquid Separators
- Liquid Filter Cartridges
- Filter Bags

- Steam Traps
- Control Valves
- Strainers
- Check Valves / Isolation Valves
- Condensate Systems
- Heat Exchangers

- Pulsation dampeners
- Surge protection systems
- Diaphragm seals and valves
- Leak detection systems

- Oil Purification
- Filtration Systems
- Filter Housings
- Replacement Elements

- Plate & Frame Heat Exchangers
- Plate, Frame, and Gasket Replacements
- PlateCheck Inspection & Testing

- Bag Filter
- Housings
- Elements

- Centrifugal & Positive Displacement Pumps (Sanitary / Industrial)
- Mixers / Agitators / Blenders
- Homogenizers
- Product Unloading

- Hoses (Sanitary / Industrial)
- Valves & Components

- Sanitary Strainers and Filters
- Spray Balls, Nozzles, & Wash Accessories
- CIP / COP / Cabinet Washers / Tunnel Washers

- Custom Sanitary & Industrial Tanks
- Pressure Vessels & ASME Fabrication
- Hoppers, Mix Tanks, and Surge Bins
- CIP / COP / Wash Skids / Wash Systems

Process System Fabrication

With 25+ years of process system fabrication, Furey Filter & Pump's top priorities of pump performance and reliability for every custom system design and manufacturing are carried out with full engineering staff for specification review & system design, factory trained pump technicians, and certified welders, all working in our state-of-the-art 60,000 square foot shop.

Factory Authorized Service Center

- Flowserve
- ARO
- SIHI
- Milton Roy
- Blackmer
- Boerger
- Wanner
- Blackmer
- Weir/Warman
- MD Kinney / Tuthill
- Grundfos
- Ampco
- AGC
- Roper
- KSB / GIW
